Pre-School

Still smelling of Coppertone and blistered from walking barefoot all summer, Highlanders returning to school always greet Hello Day with open arms.

This unofficial opening of school always includes the novice Pep Clubbers' first march, new cheerleaders and the Studentbody officers' debut. This year they told students to look forward to the "Return of the Ram."

Hello Day

Homecoming '74

Homecoming is a perfect blend of nostalgia, excitement and warm October school days. Pictures of teachers with 1957 haircuts, black and white hall displays, and a packed football crowd led by thirteen cheerleaders, all reflected aspects of Highland's seventeen year history. Homecoming '74 gave thousands of alumni and present day students a chance to "Relive a Moment of the Past."

A Shakespearean comedy set to lively music with colorful scenery and controversial costumes was the school play — Boys from Syracuse. Over seventy actors plus countless musicians, dancers, carpenters and seamstresses worked three strenuous months to achieve perfection. Their efforts, however, did not go unrewarded. Each night the audience rose to their feet at the final curtain with a thunderous ovation.

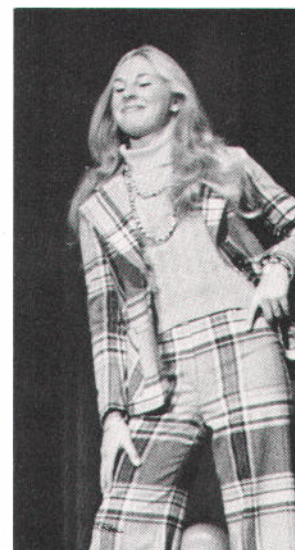

H.A.W. Fashion Show

It seemed amazing that Highland's females could be so shockingly beautiful and that we wouldn't notice this fact until the annual fashion show. Under the direction of our H.A.W. officers, a fine show was presented to Highland's girls. The question was: "Who had more fun — the girls that modeled or the audience?"

Spirit Week

The real exuberance of Highland's studentbody was never displayed so vigorously as during spirit week. There was a special pride in becoming number one in region, but a deeper excitement was found in trying to stay aroused. Due to the outstanding effort of our cheerleaders, Highland saw victory and defeat, but always with spirit.

Dances

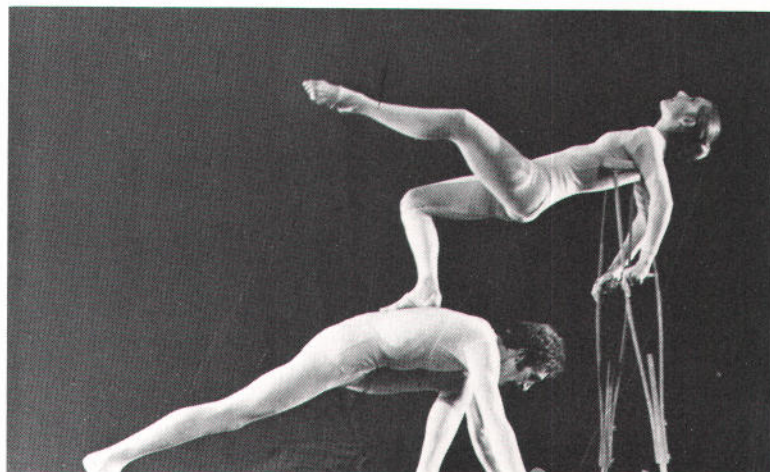

The dances and stomps at Highland can all be summed up by the answer to the question:
— What is the difference between a Senior Woman and a garbage can? —
The garbage goes out once a week . . .

Assemblies

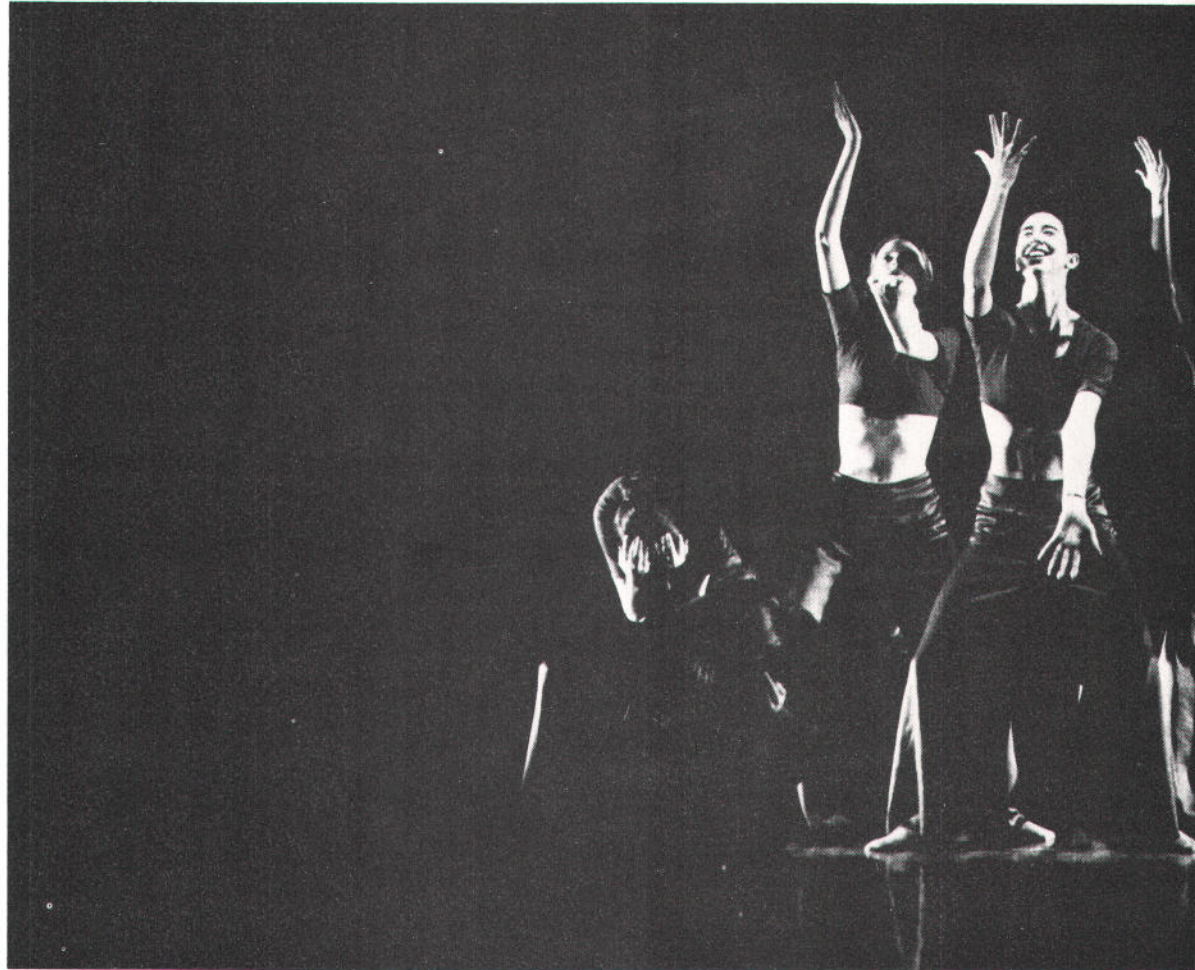

From leaps by Ririe-Woodbury Dance troopers to pleas from Mr. Palmer at pep assemblies for students to revive that "old Ram spirit," this year's assemblies offered diversity for students and occasionally offered a chance to miss a dreaded math test. An interesting feature was initiated into the assembly format in the form of slides.

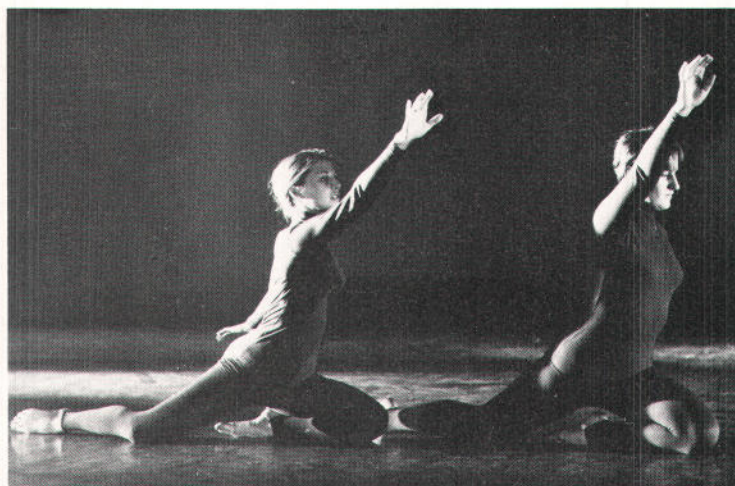

Dance Concert

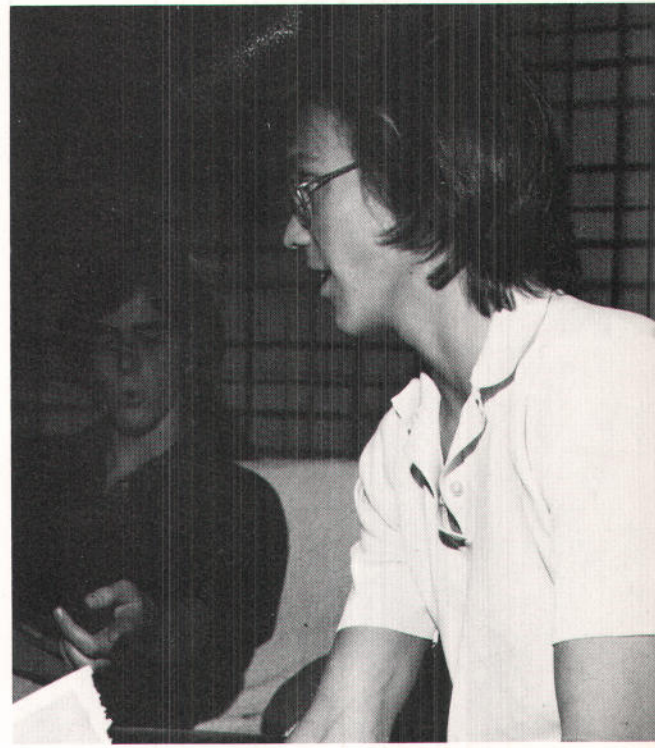

"Shall We Dance?"
 Yes! — and if the dances continue
 to be of this year's caliber,
 Highland girls will be performing
 before enthusiastic audiences for
 several years to come. The
 Dance Club skillfully combined
 music, special effects, and
 movement to produce art. From
 a provocative abstract to a
 hilarious comedy, the annual Dance
 Concert had something for everyone.

Elections

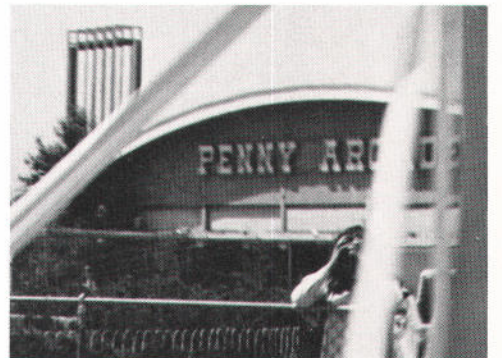

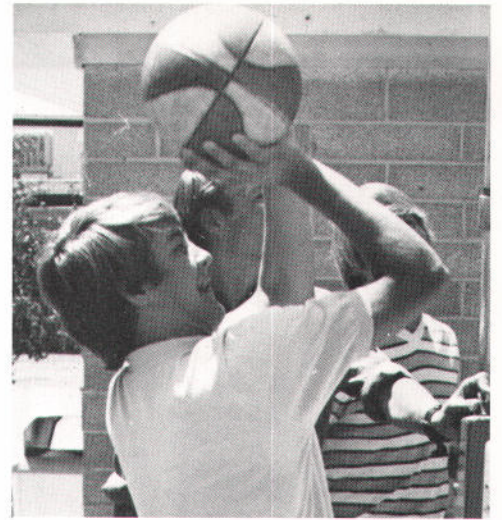

For the candidates and devoted friends, elections meant late hours trying to come up with the assembly or slogan that was new and fantastic. It was a shame that for every winner there had to be a loser, but the experience and associations gained made it all worthwhile.

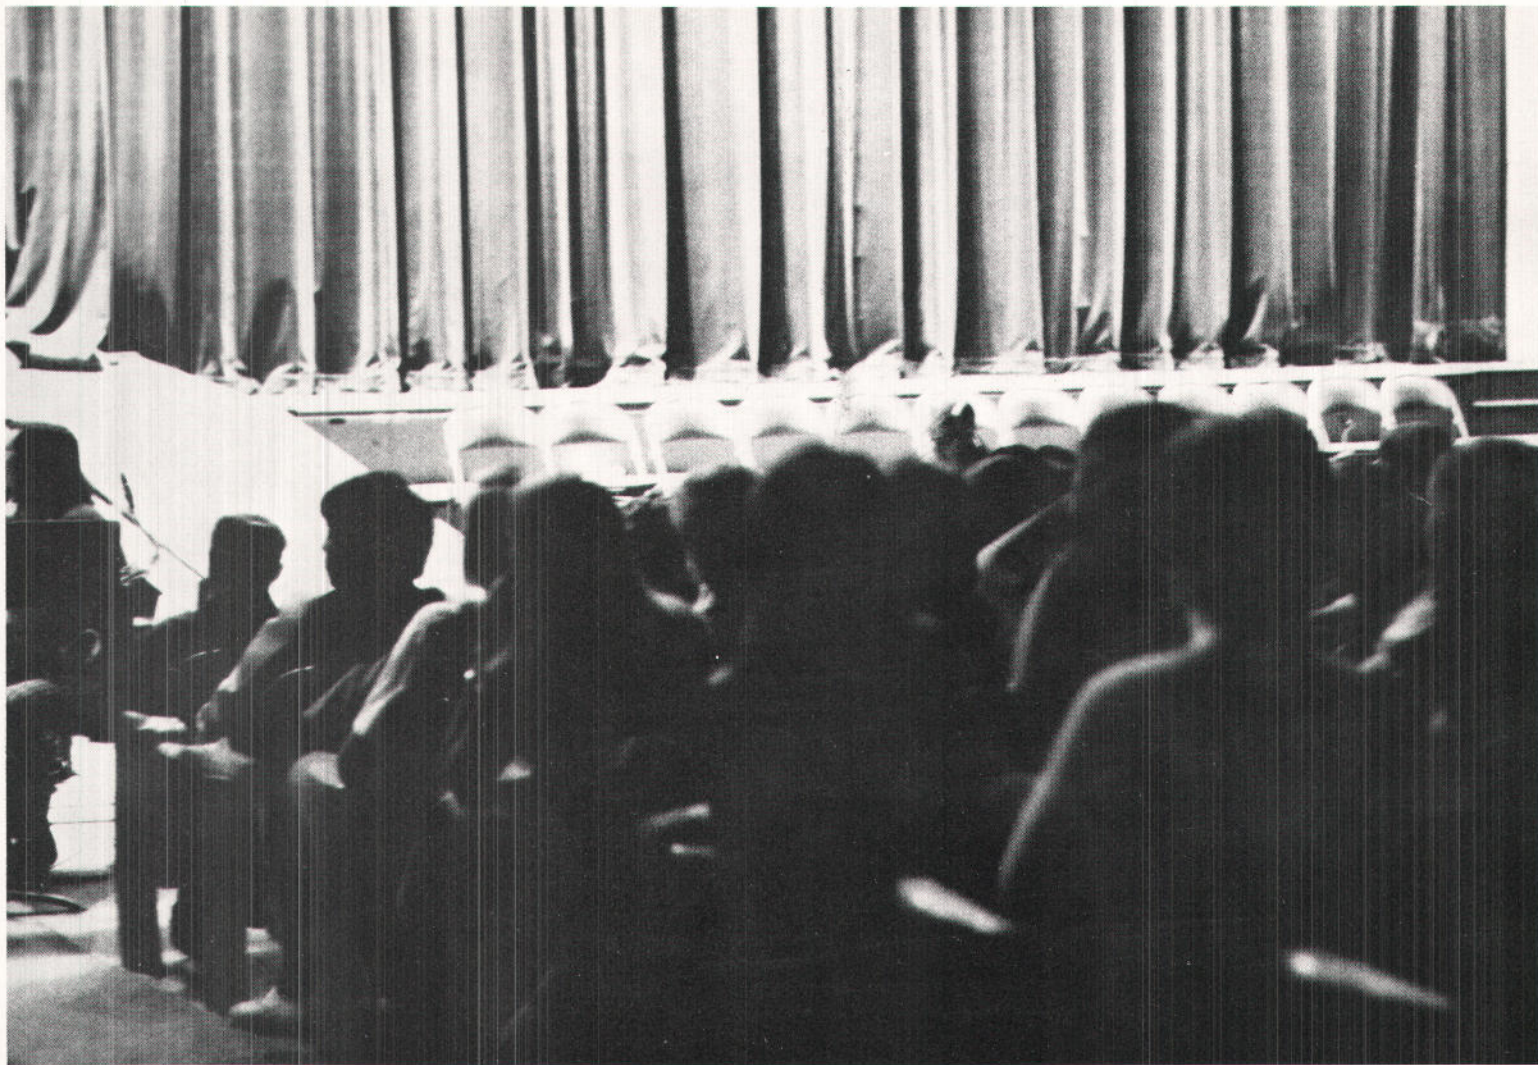

Lagoon Day

Yearbook Day

Farewell Assembly

It was all a matter of realizing another year had passed between us. So many had longed for the moment and some were actually glad it wasn't their turn. Saying good-bye was much harder when we were actually doing it.

Graduation

After such a long time,
routine settles in the soul
and becomes a part of living.
We soar outward together.
Soon enough, the harmony
becomes lost and we
strive to move on,
only to find ourselves
caught in the years.
We rejoice, thinking we have
freedom, and bypass
the fear that comes
with beginning again.

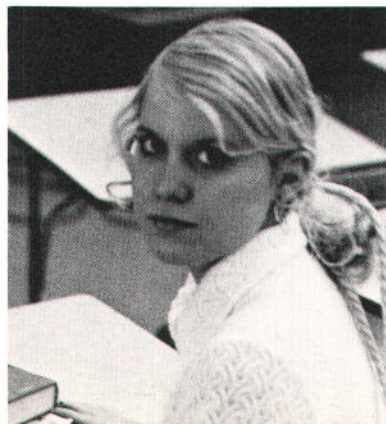

Somewhere in between what might have been and precisely what came to pass, we were given the chance to imagine ourselves as something more than others perceived us. At times, we anticipated more out of life than it wanted to give, and at other moments we expected much more from ourselves than our capabilities wished to allow. Sooner or later, though, we are going to see our own imperfect reflections, with many of the faults we just finished chastising others for, and fortunately, then will come the change.

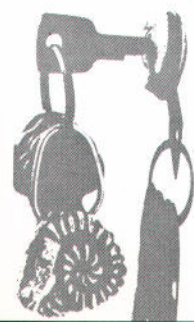

Facing the same direction, we
 spent a long while trying to
 know and understand each
 other. We became so committed, that
 we might have forgotten to satisfy
 ourselves. Now we look back,
 wondering who was most important.

A SALUTE TO THE

HIGHLAND HIGH CADET CORPS

Utah became a State on January 4, 1896 - five years later in the Spring of 1901, a group of high school boys first organized the SALT LAKE CITY CORPS OF CADETS.

Since then, the CADET CORPS has established an extraordinary record for leadership training of each succeeding class of high school boys.

Today the CORPS OF CADETS carries on the proud tradition of dedicated service to our schools, community and the United States of America.

Army ROTC Scholarships mean money. And more.

An Army ROTC scholarship offers:

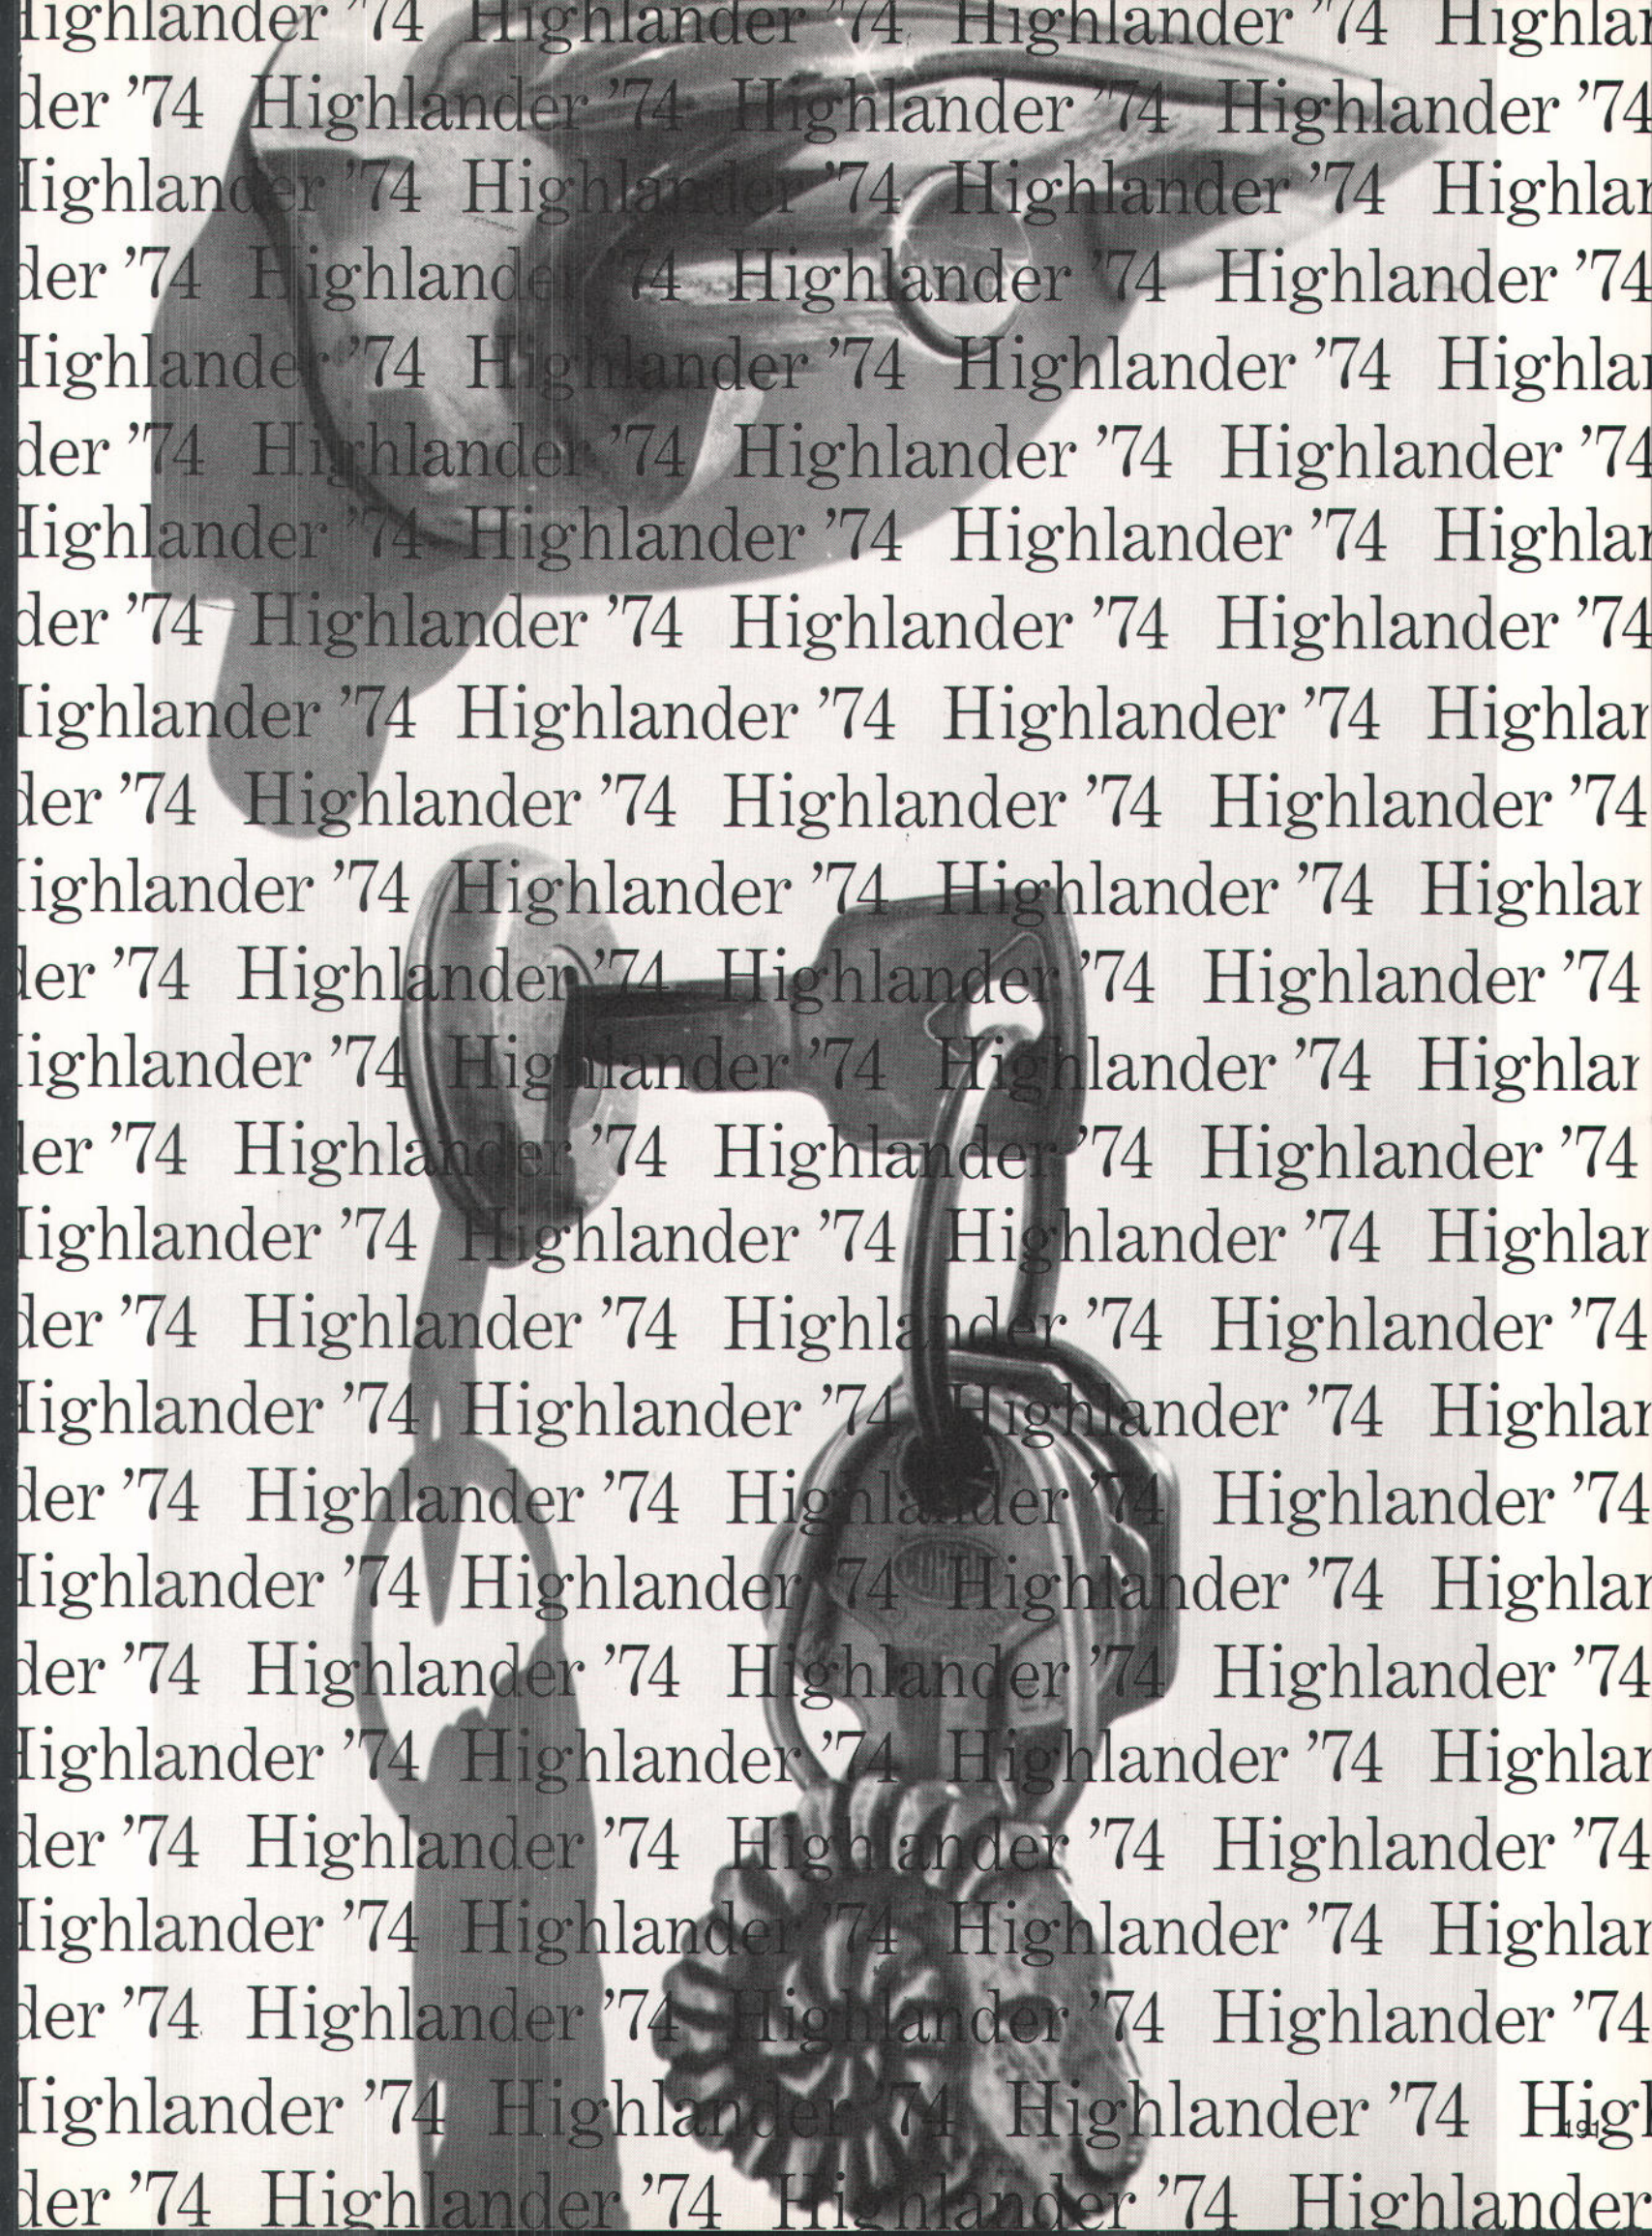

- ★ Full tuition and academic expenses.
- ★ \$100 a month for ten months of the school year.
- ★ Summer camp pay.
- ★ Three opportunities to win—your high school senior year and your freshman and sophomore college years.

An Army ROTC scholarship can open up a meaningful, challenging and rewarding career as an Army officer or it can provide the leadership and management experience that will give you an edge in a civilian career.

Army ROTC. The more you look at it, the better it looks.

Army ROTC

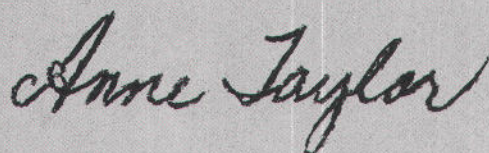

A feeling of accomplishment crept out occasionally, while that next unfinished section was again taken for granted. The last of our task never seemed to be close, even after it passed.

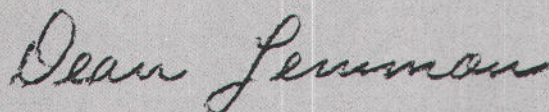

We extend our deepest gratitude for Peggy Quist's constant reminding of delinquency, the quality of work at Wheelwrights, Borge Andersen's tolerance in putting up with amateurs and Harold Petersen's advice and patient guidance. To our one-of-a-kind Dean Collett, who gave of himself unselfishly and offered us his example, not only as a sponsor, but as a true friend, we owe all of the rewards that we found.

"Gratitude is the hardest of all emotions to express. There is no word capable of conveying all that one feels. Until we reach a world where thoughts can be adequately expressed in words, thank you will have to do."

Time seemed to be a relative term used to define the changes we face. Recalling a year gone by, we will always cherish the very special eighteen who captured "This Time Around"
in appreciation.
